Plaintiff's Reply
To Defendant's motion for a more Definite Statement

Plaintiff's submits the below information,
as Requested by Defendants; in it's motion for a more
definite statement dated March 26, 2007.

Assuming the Court will grant the Defendant's
motion in question, this motion could equally serve as
an amendment to which Defendants request
the Court to order.

1. Plaintiff still has headaches even after the surgery. Plaintiff pulled a suture out of his head August 22, 2006. After surgery and I was suppose to get it removed by C.M.S. Nurse. I went to Doctor on August 8, 2006. He said they should of been removed "They should of took them out sooner" Dr. Barnett said. Even after that I pulled one out of my head.

2. I have sick calls slips and medical grievances about my situation. I have in my medical records all the stuff that I have filled for this. I have copies of some but I request my file to show more of my paper trail.

3. Coming back from the hospital I had a hole in my head. Was sent back to population instead of spending time in infirmary. I felt like I was about to pass out head started to leak. C.O. JARMAN called two nurse's to attend to me. They seen my condition called the head nurse asked why I wasn't in infirmary. I passed out on ~~Sunday~~ 7-30-06 was hooked up to EKG machine. Was told to Drink more "Fluid's" By Doctor that seen me.

4. I asked about my situation two years before my surgery. ~~Dr.~~ C.M.S. Doctor told me Since my request to see out side Doctor was over six months it expired and that they had to re-schedule. C.M.S. Doctor's and Nurse's knew about

the knot on my neck for two and a half years. All of that is documented in my medical files and the copies that I have.
